

A close-up, artistic photograph of a woman. She is wearing a black, long-sleeved mesh top. Over her eyes and nose, she wears a green leather harness with two circular studs on each side. A silver chain is attached to the harness and hangs down in front of her face. She is looking downwards with a serious expression. The lighting is dramatic, with strong highlights and deep shadows. The image is split vertically down the middle.

Fashion Stylists

Our stylists guarantee the accessories or clothing worn in the production are of premium quality and complement the desired look for the brand. We hand-pick stylists based on their understanding of trends, style, experience within various assignments, pulling of garments and the ability to style looks.
